

Demonstration Copenhagen 12 Dec 09

On Saturday 12th December, midway through the UNFCCC Climate Talks 2009, we invite you and your organisation to join us in bringing to the negotiators in Copenhagen a massive, loud and visible demonstration of the world's will to act.

We are

Climate and green organisations and networks, trade unions, peace, solidarity and development organisations and movements, churches, political and other civil society organisations and individuals.

What and when

We are preparing a broad based, popular and family friendly demonstration going from central Copenhagen at 13.00 to the summit venue at the Bella Center.

Join us

We urge you and your organisation to support us. Send email of your support to info@12dec09.dk.

See info at our website.
